Please indicate the reasons you are interested in serving and any specific skills or experience you believe support your application.*

The reason I'm interested in helping set the standards for new hires, promotional opportunities and certify qualified applicants for police and fire vacancies is because I'd like to help identify that the best candidates are picked for these very important jobs that serve our community.

Other civic experience:

My term on the board of directors for a children's summer camp just expired (where I served for three years). I currently am a member of the Oskaloosa Community City Band. I also serve in various roles in my church here in Mahaska County.

Thank you for your application.

Appointments will be consistent with Iowa House File 243 for Gender Balancing of boards, committees, and commissions.
