

Planning & Zoning Communication

Meeting Date: March 7, 2023

Requested By: Development Services Department

Item Title:

Consider removal of a member pursuant to the attendance policy

Explanation:

At the February 7th meeting, the commission reviewed the attendance record and noted an issue that Robb Beane was absent 4 of the last 12 regular meetings held. The adopted attendance policy states the commission will vote on whether Robb should be removed from the P & Z commission.

Robb has indicated to chairman Keep that he would like to remain on the commission and is open to attending remotely by Zoom should he need to be gone in the future.

If the commission votes to retain Robb, no further action is necessary. If the commission votes to remove Robb, the chair and staff will forward the vote as a recommendation to the Mayor for a final decision.

Budget Consideration:

None
