

City Council Communication

Meeting Date: May 1, 2023

Requested By: Development Services Department

Item Title:

Presentation on the Downtown Façade Improvement Project Phase III

Explanation:

On April 3rd, 2023, the City Council accepted construction completion of the Façade Improvement Project Phase III and release of retainage to the contractor within 30 days if there are no claims.

Development Services Director Shawn Christ will provide a brief presentation showing before and after photos of each building façade. There is no action necessary with this item.

Budget Consideration:

None
