

Minutes
Study Session
Oskaloosa City Council
Monday, June 17, 2019
City Council Chambers
220 South Market Street
5:15 PM

Present: Mayor Krutzfeldt; Council Members Burnett, Moore, Ottosson, Walling, and Yates. Absent: Caligiuri and Drost. Staff in attendance: Christ, Miller, and Schrock.

The meeting was called to order at 5:15 PM by Mayor Krutzfeldt.

City staff, Emily Brown (Main Street Oskaloosa), Brad Grefe (Area 15), and Rod Curtis (Curtis Architecture) reviewed the status of the Façade Phase II project with the city council. The project bid came in higher than estimated. All parties are being asked to provide additional funds - the city of Oskaloosa, individual property owners, and the Iowa Economic Development Authority (IEDA). At least one, possibly two property owners are interested in value engineering the scope of the project for their buildings to reduce project costs. City Council interested in supporting additional City contribution contingent upon IEDA providing additional grant funds.

The meeting adjourned at 5:45 PM.
