

Study Session Minutes - Oskaloosa City Council
Wednesday, July 28, 2021
Council Chambers
220 South Market Street 8:30 AM
No quorum present

Present: Mayor Krutzfeldt; Council Members Burnett, Drost, and Walling. Absent: Caligiuri Moore, Ottosson, and Yates. Staff in attendance: Hefner, Murphy, Schrock and Van Wyk.

1. Wastewater Facility Plan Update for Long Term Improvement. Fox Engineering led a review and discussion about past, current, and future treatment efforts for the community. In the near future the city will need to confirm desired projections for population growth, and industrial capacity. Additional data gathering and review is necessary for design flows including rainfall events. Fox Engineering and staff will continue to review options for one or two facility update, or other options (i.e., new facility). Schedule was shared with the group noting 2027 date to have treatment standards met according to the city's permit.

Meeting adjourned at 11:00AM
