First time Homebuyers Program

The First Time Homebuyers Program is administered in conjunction with local banks. Loans up to \$3,500 (no more than 5% of the purchase price) are given to applicants meeting certain requirements: homes must be located within the city limits of Oskaloosa, household income is under the USDA Rural Development guaranteed income limits, applicants match the city loan amount dollar for dollar, and attend home buyer classes. Loans are repaid over 10 years with zero interest through monthly automatic withdrawal. Eligible banks for the first time loan buyer program are Bank Iowa, Community 1st Credit Union, TruBank and MidWestOne Bank. The bank participating in the program in FY 2017 was Bank Iowa.

Demolition Program

Demolition loans are available for property owners to assist with redevelopment of existing lots in the community. Grants up to \$4,000 are given to eligible participants for the demolition of dilapidated properties. Demolition I grants are forgiven if the property has been redeveloped in two years with a structure that is equal to or exceeds the value of the building removed. If the property has not been redeveloped in the two-year period, the loan is paid back in full with interest over 12 months. For Demolition II loans, half of the loan amount is forgiven and the other half is repaid at zero interest over 24 months.
