### CHANGE:

Make the following change to the **INSTRUCTIONS TO BIDDERS**:

Submission of the proposal and identity of bidder:

On Friday, April 24, 2020, Governor Reynolds signed a new proclamation that temporarily suspends certain requirements under the public bidding law involving the distribution, receipt, opening, or recording of paper documents to further mitigate the spread of COVID19.

The proclamation temporarily suspends requirements related to the physical handling of paper bids, bid security, and bid documents. Electronic or digital bid documents will meet the requirements of section 26.3(2) that would otherwise require paper bid documents be made available. In addition, during the disaster proclamation period, bids may be received and opened electronically rather than in person.

**Therefore Bidders for this project may submit their required documents online to:**
